BERA Running & Cycling Club (formerly BNL Road Runners circa 1994)

The BNL Road Runners was a BNL BERA sponsored activity. In 1994, they captured 2nd place in the Long Island Chemical Bank Corporate Challenge men's team and 3rd place in the coed team.

Today we are now the BERA Running & Cycling Club. Each year we have many members that run/walk in the Marcum Workplace Challenge held at Jones Beach State Park.

2015 Marcum Workplace Challenge - *Registration is now open!!!*

Please join us on **Tuesday, July 28, 2015 at Jones Beach**. There will be school bus transportation available to and from Jones Beach on a first come, first serve basis. If you opt for the bus, please let Betty Elder know at the time you pay your \$12.00 picnic fee.

We are also looking for help setting up the picnic.
